HOW TO HAVE REAL-TIME MEETINGS IN OMIXON VIRTUAL BOOTH

- **Step 1: Get An Individual Meeting Code**
  - Go to the Meeting Point Area within the booth
  - The Meeting Registration functions as a waiting room.
  - Please enter the site:
   - write in your full name
   - click on "Join meeting"
  - Once entered, you will see our available team members, whose **Schedule** is displayed on the dedicated screen.
  - To initiate a 1 to1 meeting, ask the available team members for an individual meeting code to be used in the **1 to1 Meeting Room** on the right-hand side.
  - If none of them is available right now, please wait or come back at a later moment. You can also leave us a note on the dedicated screen.

HOW TO HAVE REAL-TIME MEETINGS IN OMIXON VIRTUAL BOOTH

- **Step 2: Use your meeting code for a 1to1 meeting**
  - Go to the **1to1** Meeting Room screen
  - When you enter the site you can join the meeting by:
    - writing in the individual meeting code you were given in the **Meeting Registration** in the dedicated field
    - clicking on "Start meeting"

  - On the next page, join the meeting the same way you dd for the Meeting registration
    - write in your full name
    - click on "Join meeting"
    - wait for our representative to also join the meeting
